After 15 years of being a Marriage, Family Therapist, and losing her only child, retired Ingrid Robinson is using her expertise to create and facilitate support groups for the bereaved.

If you've experienced loss of any kind, would like help coping with this very difficult and sad process, this group is designed to give you the tools to face life as you now know it. Grief is a slow process that cannot be rushed. It ebbs and flows at will. However, better days can and will be back.

If you want support to reach those better days, please join our group.
